## Concierge Update ~ August 2012

### The 3<sup>rd</sup> Annual High Heel Dash

Don a pair of 3" heels and participate on August 15! Challengers will compete against each other in several 25-yard dashes along Target Plaza on Nicollet Mall. This year's beneficiary is Project Healthy Smile ([www.projecthealthysmile.org](http://www.projecthealthysmile.org)). Their mission is to bring oral health education and dental supplies to underprivileged children on a global level.

Register in person on August 7 from 7:30AM-1:00PM in the Crystal Court or online at [www.aegisfoundationinc.org](http://www.aegisfoundationinc.org).

### HANNAH'S BANANAS

### STROLL FOR EPILEPSY

Thirteen-year-old Hannah has had epilepsy for 7 years and has endured thousands of seizures. All she wants is to be "normal." She can't stop her seizures but she won't let seizures stop her. Team Hannah's Bananas have been fundraising since 2008 as part of the Epilepsy Foundation's Stroll for Epilepsy.

This year, Potbelly Sandwiches in the IDS Center is joining them to raise awareness by donating 25% of sales made between 2:00 pm and 5:00 pm on Wednesday, August 8 to the Epilepsy foundation on behalf of Team Hannah's Bananas. Enjoy a late lunch, early dinner, snack or delicious dessert and help Hannah and others afflicted with Epilepsy cope with this awful disability. [www.hannahsbananas.net](http://www.hannahsbananas.net).

A drop box will be located in the Tower Lobby of the IDS Center from August 13-17 to collect your old specs. Used prescription glasses will be sent to the Southern Eye Institute, which operates an eye clinic in Sierra Leone, West Africa. In Sierra Leone, it is very difficult to obtain glasses. A single pair of glasses can mean the difference between being able to read, work, provide for your family, or not. Want to see where your glasses end up? Track the Techs For Specs campaign at [facebook.com/Whizkidit](https://facebook.com/Whizkidit) or [whizkidit.com/blog](http://whizkidit.com/blog). Find out more about Southern Eye here: [southerneyememphis.com](http://southerneyememphis.com).

Techs For Specs  
**LOOK!**

Collect your old  
specs and drop  
'em in the box.
