

## Using the IDS Center Crystal Court

### **POLICIES AND PROCEDURES FOR PUBLIC USE**

#### **BACKGROUND:**

Late 1998's redesign of the IDS Center Crystal Court, a privately owned and managed space, presented a unique opportunity for the property's tenants and the community to enjoy "one of America's best indoor spaces" (as described by the New York Times).

Long committed to providing a balance of activities in the court that offer value to the tenants and to the community, the property management company, Beacon Real Estate Services LLC, has had a long-standing policy that prohibits use of the court for any events of a partisan, political or religious nature. Property management itself provided nonsectarian holiday events and has allowed other not-for-profit and government entities to use the space for appropriate public programs.

Beacon Real Estate Services, LLC has formalized its policies and procedures into this written document to ensure use of the IDS Center Crystal Court in ways that will benefit the community and still support the needs and desires of the facility's retail and office tenants.

#### **USE OF THE IDS CENTER CRYSTAL COURT:**

Any and all events approved for this space need to be of a community-wide, non-partisan, non-secular nature, appropriate for general/family audiences and are at the sole discretion of Beacon Real Estate Services LLC. There are absolutely no exceptions to this policy. The use of the IDS Center Crystal Court for "public events" is directed and managed by Beacon Real Estate Services, LLC, the firm charged with the overall property management of the facility.

There are four (4) types of uses of this space. They include:

***Holidays Under Glass:*** Proactively planned musical entertainment programs designed by Beacon Real Estate Services LLC. This series of programs is planned and scheduled according to availability of time and space in the noon-1:00 pm time period each Monday – Saturday, beginning the Friday after Thanksgiving and ending on Christmas Eve each year. The entire schedule of "Holidays Under Glass" is managed by the IDS Center's Crystal Court Events Coordinator. All performers whether groups or individuals, must complete the attached application and insurance and/or release form and submit a audition recording to be considered for the performance schedule.

***Fridays Under Glass:*** Practically planned arts & entertainment programs designed by Beacon Real Estate Services LLC. This series of programs is planned and scheduled on a case-by-case basis and is subject to availability of time and space in the noon-1:00 pm time period and on Fridays only occasionally throughout the year. All programs are managed by

the IDS Center's Crystal Court Events Coordinator. All performers, whether groups or individuals, must complete the attached application and insurance and/or release form as well as audition recording or sample of displays, projects, programs, etc. to be considered for a performance in the IDS Center Crystal Court.

All applications are to be made using the attached application form. Events in this category are limited to calendar availability.

***Special Focus, Annual Events:*** Over the years, certain community traditions have evolved in the IDS Center Crystal Court. Non-profit sponsored, organizational events may be given an opportunity to use the IDS Center Crystal Court if the organization is also sponsored by or partnered with property management. Requests for use of the court for one of these special focus annual events must also be made on the attached application via the IDS Center's Crystal Court Events Coordinator.
